

COSMETIC NURSE SARAH

ANTI WRINKLE

Anti-Wrinkle Injections smooth fine lines and wrinkles, giving a soft and youthful appearance. Anti-Wrinkle Injections puts a pause on the ageing process, and can prevent deeper, more permanent wrinkles from forming. Treatments take less than 15 minutes.

PDO MONO THREADS

PDO Mono Threads are the newest, most exciting skin tightening treatment to hit our shores in years. This new approach to skin tightening is perfect for those wanting a minimally invasive natural result.

PDO Mono Threads can be used to tighten and rejuvenate skin, volumise mild hollowing without the need for dermal filler and prevent the skin from future sagging. PDO Mono Threads take up to 120 days to see full results.
